### INDEPENDENT AUDITORS' REPORT

Board of Directors Mental Health Systems, Inc. dba: TURN Behavioral Health Services San Diego, California

### Report on the Audit of the Consolidated Financial Statements *Opinion*

We have audited the accompanying consolidated financial statements of Mental Health Systems, Inc., dba: TURN Behavioral Health Services, (the Organization or MHS), which comprises the consolidated statements of financial position as of June 30, 2024 and 2023, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the organization as of June 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Mental Health Systems, Inc., dba: TURN Behavioral Health Services and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mental Health Systems, Inc. dba: TURN Behavioral Health Services' ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

### Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing an
  opinion on the effectiveness of Mental Health Systems, Inc., dba: TURN Behavioral Health
  Services' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mental Health Systems, Inc., dba: TURN Behavioral Health Services' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Board of Directors Mental Health Systems, Inc. dba: TURN Behavioral Health Services

### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 19, 2025, on our consideration of Mental Health Systems, Inc., dba: TURN Behavioral Health Services' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Mental Health Systems, Inc., dba: TURN Behavioral Health Services' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Mental Health Systems, Inc., dba: TURN Behavioral Health Services' internal control over financial reporting and compliance.

### NOTE 1 ORGANIZATION

### **Mission and History**

Mental Health Systems, Inc., dba: TURN Behavioral Health Services, (the Organization or MHS) was organized June 2, 1978 pursuant to the General Nonprofit Corporation Law of the State of California. MHS has become one of the most well-established behavioral health service providers in the state of California with an extensive range of community-based interventions and treatment options. The Organization was founded to provide behavioral health services in an innovative and cost-effective manner primarily via government contracts.

**MHS Mission** is to reduce disparities in behavioral health care delivery by creating a diverse workforce that is culturally competent; promotes wellness, recovery, and resiliency; and improves the lives of individuals, families and communities impacted by behavioral health challenges.

Our work has been structured around the **Guiding Principles: People, Culture, and Growth**. Ensuring that all MHS staff provides services with cultural respect for the diversity, values, belief systems and cultural preferences of our clients, families, and communities. As such, the guiding principles are continuously incorporated into everything we do. We are committed to eliminating disparities based on such factors as race, ethnicity, language, and socioeconomic status. Our purpose is to care for individuals, families, and communities with special attention to those who are most vulnerable. The following highlights our agency **Core Values** as developed by the employees across the organization and carried into our policies, procedures, and practices: **Integrity, Diversity, Mentorship, and Inclusion**. Further, our staff has committed themselves to executing excellence, setting examples in our corporate office and throughout each division, program, and service provision.

### **Nature of Activities**

MHS is committed to providing services that lead to rich, full lives for individuals and families. Those in need of behavioral health services will have equal access and be received by a broadly diverse staff, varied by culture and language. We will continuously remove barriers to competent care. MHS is an organization that has embraced the tenets of **client-centered care** from assessment throughout treatment. Services include prevention, intervention, counseling, case management, employment and vocational rehabilitation, residential treatment, and supportive housing for example.

MHS has focused on reducing disparities among the severely mentally ill, veterans, homeless, transitional age youth, and the justice involved to name a few. We have worked with special populations providing access to appropriate treatment, safe and stable housing, family reunification, employment services, and transportation in order to meet client needs and mitigate exposure to hospital and jail costs. MHS also facilitates prevention, outreach, referrals, and stigma reduction efforts. We are active in our communities and partner wherever possible to support the evaluation and creation of practices which are culturally and linguistically appropriate. We are committed to sharing information, literature and concerns or needs that come from partnership meetings and community forums. MHS has organized community-based forums and town hall meetings throughout the counties we serve for the purpose of garnering stakeholder input and implementing changes as indicated.

### NOTE 1 ORGANIZATION (CONTINUED)

### **Nature of Activities (Continued)**

Our committees as well as our leadership team, regularly review demographic information to ensure gaps are being closed in our strategic plans, recruitment, training, and service provision.

Overall planning and implementation of services covers target areas such as:

- Access to Care engage disenfranchised individuals
- Evidence-Based Practices integrate and measure success in our behavioral health services
- Workforce Development expand diversity and cultural competency to enhance outreach to diverse underserved populations
- Evaluation and Outcomes evaluate outcomes and improve our systems
- Quality of Care identify and evaluate how well we are meeting client needs

MHS has worked to develop a system that supports and promotes access to respectful and responsive service delivery through our diverse recruitment, selection, retention, and promotion practices. Cultural sensitivity, diversity, and competency are part of the mainstay philosophies of MHS. From hiring practices to our service delivery systems, MHS proactively seeks to embody a culture of equality and inclusion. Our culturally diverse staff members are recruited from a broad spectrum of communities, and we take pride in embracing an assertive Affirmative Action Program at every level. MHS recognizes the diverse backgrounds of our staff and what is most important to them in their respective career paths. We incorporate values and systems that match the staff's employment goals and provide motivation and opportunities for growth and advancement wherever possible. MHS invests in succession planning to retain qualified staff and provide our clients with continuity and the utmost professional care.

Our Compliance Department regulates a fully operationalized process for collecting measurable client outcomes for our services. We developed surveys to evaluate client outcomes and satisfaction which are administered twice annually. Our ongoing objective is to continue to support data collection and implementation while analyzing the data. MHS maintains a training platform on relies allowing us to continually evaluate, modify and provide access to meaningful and relevant trainings that meet the needs of our employees and the clients we serve. In addition, MHS has organized large community educational conferences related to cultural competency and specialized intervention and treatment.

MHS has incorporated various mechanisms to measure and monitor the effect of identified strategies to reduce disparities; outcome statements; measures of success; and tools to measure success. Collection of data and analysis of all strategies are reported accordingly. Measurements of success and areas of growth continue to drive our efforts in meeting strategic agency goals and objectives.

MHS is supported primarily through government contracts, donor contributions, and grants. Approximately 97.95% and 97.71% of the Organization's support for the years ended June 30, 2024 and 2023, respectively, came from government contracts.

### NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### **Basis of Accounting**

The financial statements of MHS have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP). These standards require that MHS report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

*Net Assets Without Donor Restrictions* – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as revenue when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Contributions restricted by donors are reported as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as Net Assets Released from Restrictions.

### **Cash and Cash Equivalents**

Certain contracts require cash to be held in separate bank accounts, which are used for contract purposes and included in the Cash and Cash Equivalent balances. For the purposes of the consolidated financial statements, the Organization considers all debt instruments purchased with a maturity date of less than nine months to be cash equivalents.

### **Concentration of Credit Risk**

The Organization maintains its cash and cash equivalents at several banks which may, at times, exceed federally insured limits. Cash balances held in banks are insured up to \$250,000 by the Federal Depository Insurance Corporation (FDIC). The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents at June 30, 2024 and 2023.

Approximately 52% of the Organization's revenues are provided by the County of San Diego for both years June 30, 2024 and 2023.

### NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### **Contracts and Grants Receivable**

Contracts receivable consists of balances due for services provided pursuant to written and verbal contracts with various public and private agencies. U.S. GAAP requires that an allowance for doubtful accounts be established for accounts receivable. It is the Organization's policy to evaluate the collectability of receivables on a regular and ongoing basis, if deemed necessary, an adjustment to the allowance for bad debt is recorded. Accordingly, contracts and accounts receivable are shown net of an allowance for doubtful accounts.

### **Contributions**

In accordance with GAAP, contributions received are recorded as without donor restrictions or with donor restrictions depending on the existence and/or nature of any donor limitations on the use of the support. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

MHS recognizes contributions when cash, securities, or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give - that is, those with a measurable performance or other barrier and a right of return - are not recognized until the conditions on which they depend have been met. A portion of MHS revenue is derived from cost reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when MHS has incurred expenditures in compliance with specific contract or grant provisions. MHS received cost reimbursable grants of \$460,659 and \$577,584 that have not been recognized at June 30, 2024 and 2023, respectively, because qualifying expenditures have not yet been incurred, with no advance payments received or recognized in the statement of financial position as deferred revenue.

### **Donated Services and Materials**

No amounts have been reflected in the consolidated financial statements for donated services. The Organization generally pays for services requiring specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist the Organization with specific assistance programs and various assignments. The Organization receives more than 5,000 volunteer hours per year.

### **Property and Equipment**

Property and equipment are recorded at historical cost and are being depreciated using the straight-line method over the estimated useful life of the assets. The cost of maintenance and repairs is charged to operations as incurred; the Organization capitalizes all expenditures for property and equipment more than \$5,000.

### NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### Advertising

Advertising costs are charged to operations when incurred and are included in Management and General functional expenses.

### <u>Deferred Revenue</u>

Deferred revenue represents funds received, but not expensed. These funds must be expensed in accordance with the provisions of the contract to which they apply, or if not expensed in the current period, are carried over into the subsequent year.

### **Use of Estimates**

The preparation of consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

### Tax Status

The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and is exempt from California franchise taxes under Section 23701(d) of the State Revenue and Taxation Code.

The Organization files Internal Revenue Service Form 990 and State Forms 199 and RRF-1. Generally accepted accounting principles provide accounting and disclosure guidance about positions taken by an organization in its tax returns that might be uncertain. The Organization recognizes the effect of income tax positions only if those positions are more likely than not of being sustained. Management of the Organization does not believe the consolidated financial statements include any uncertain tax positions. With few exceptions, The Organization is not subject to U.S. federal and state examinations by tax authorities for the years before 2024 and 2023, respectively.

### Functional Allocation of Expenses

The costs of providing the program and the supporting services have been summarized on a functional basis in the Consolidated Statement of Activities, and in the Consolidated Statement of Functional Expenses. Accordingly, certain costs have been allocated between the program and the supporting services in reasonable ratios determined by management.

Directly identifiable expenses are charged to programs and supporting services. Expenses related to more than one function are charged to programs and supporting services based on various allocation methods. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.

### NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### <u>Leases</u>

The Organization determines if an arrangement is a lease at inception. Operating leases are included in right-of-use (ROU) assets – operating and lease liability – operating, and finance leases are included in ROU assets – financing and lease liability – financing in the statement of financial position.

ROU assets represent the Organization's right to use an underlying asset for the lease term and lease liabilities represent the Organization's obligation to make lease payments arising from the lease. ROU assets and liabilities are recognized at commencement date based on the present value of lease payments over the lease term. Lease terms may include options to extend or terminate the lease when it is reasonably certain that the Organization will exercise that option. Lease expense for operating lease payments is recognized on a straight-line basis over the lease term. The Organization has elected to recognize payments for short-term leases with a lease term of 12 months or less as expense as incurred and these leases are not included as lease liabilities or right of use assets on the statement of financial position.

The individual lease contracts do not provide information about the discount rate implicit in the lease. Therefore, the Organization has elected to use a risk-free discount rate determined using a period comparable with that of the lease term for computing the present value of all lease liabilities.

The Organization has elected not to separate nonlease components from lease components and instead accounts for each separate lease component and the nonlease component as a single lease component.

### **Subsequent Events**

Management has evaluated subsequent events through February 19, 2025, the date the consolidated financial statements were available to be issued.

### NOTE 3 LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, comprise the following:

|                                 | 2024          | 2023          |
|---------------------------------|---------------|---------------|
| Cash and Cash Equivalents       | \$ 1,554,108  | \$ 1,829,081  |
| Contracts and Grants Receivable | 21,912,118    | 22,341,543    |
| Total                           | \$ 23,466,226 | \$ 24,170,624 |

### NOTE 4 CONTRACTS AND GRANTS RECEIVABLE

Contracts, grants, and other receivables are balances due to the Organization for services provided and expenses incurred prior to June 30, 2024 and 2023, pursuant to written contracts with various public agencies. All receivables are pledged as collateral on the line of credit. Contract receivable and grants receivable consist of the following at June 30:

|                                       | 2024     | 4 2023                            |      |
|---------------------------------------|----------|-----------------------------------|------|
| Contracts Receivable                  | \$ 22,11 | 3,478 \$ 22,341,543               | ,543 |
| Less: Allowance for Doubtful Accounts | (20      | 1,360)                            |      |
| Total Due in One Year or Less         | \$ 21,91 | <u>2,118</u> <u>\$ 22,341,543</u> | ,543 |

### NOTE 5 PROPERTY AND EQUIPMENT

Property and equipment consist of the following as of June 30:

|                                    | 2024 |             | 2023            |
|------------------------------------|------|-------------|-----------------|
| Land                               | \$   | 555,260     | \$<br>555,260   |
| Building and Facilities            |      | 994,864     | 994,864         |
| Vehicles                           |      | 722,015     | 722,015         |
| Furniture, Fixtures, and Equipment |      | 500,146     | 493,754         |
| Leasehold Improvements             |      | 683,935     | 683,935         |
| Software                           |      | 3,217,503   | 3,175,027       |
| Total Property and Equipment       |      | 6,673,723   | 6,624,855       |
| Less: Accumulated Depreciation     |      | (5,420,015) | (5,269,238)     |
| Property and Equipment, Net        | \$   | 1,253,708   | \$<br>1,355,617 |

Depreciation expense for the fiscal years ended June 30, 2024 and 2023 was \$142,492 and \$170,949, respectively.

2024

2022

### NOTE 6 ACCRUED LIABILITIES

|                           | 2024         | <br>2023        |
|---------------------------|--------------|-----------------|
| Accrued Payroll           | \$ 2,162,339 | \$<br>1,996,937 |
| Accrued Benefits          | 3,127,398    | 3,555,376       |
| Other Liabilities         | 2,224,173_   | <br>2,768,820   |
| Total Accrued Liabilities | \$ 7,513,910 | \$<br>8,321,133 |

### NOTE 7 LINE OF CREDIT

In December 2018, the Organization obtained a \$10,000,000 revolving line of credit (LOC) secured by the Organization's accounts receivable. The line of credit was increased to \$17,000,000 in October 2022. The LOC has a variable interest rate of prime rate plus 1.50% and matures in January 2027. The LOC contains certain financial covenants and ratio requirements and as of June 30, 2024, the Organization was not compliant with financial covenants and ratio requirements. MHS obtained a waiver for the noncompliant covenants. As of June 30, 2024, the line of credit balance was \$12,428,755 and had an interest rate of 10.00%.

### NOTE 8 NOTES PAYABLE

Notes payable consist of the following as of June 30:

|   | <br>2024        | <br>2023        |
|---|-----------------|-----------------|
| Clementine  | \$<br>495,469   | \$<br>512,495   |
| CNH Term Loan                                       | <br>2,017,000   | <br>1,220,000   |
| Total Notes Payable                                 | \$<br>2,512,469 | \$<br>1,732,495 |
|   |                 | <br>            |
| Aggregate future principal payments are as follows: |                 |                 |
|   | 2024            | 2023            |
| Due in One Year                                     | \$<br>2,034,852 | \$<br>1,237,025 |
| Due in Two to Five Years                            | 103,133         | 98,358          |
| Thereafter  | 374,484         | <br>397,112     |
| Total   | \$<br>2,512,469 | \$<br>1,732,495 |

2024

ეტევ

The Organization has a note payable with the City of Oceanside secured by a Deed of Trust for Clementine, an Oceanside property. The note requires monthly payments totaling \$3,417, including interest at 4.75%, through June 2042. The principal balance at June 30, 2024 and 2023 was \$495,469 and \$512,495, respectively.

In July, 2023, the Organization entered into a note payable with CNH Finance Fund for \$2,500,000. The note requires weekly principal payment of \$25,000 until note is paid in full. As of June 30, 2024, the note had an interest rate of 10.50% and a balance of \$2,017,000.

### NOTE 9 COMMITMENTS AND CONTINGENCIES

### Contingencies

### Litigation

The Organization is, from time to time, named as a defendant in various lawsuits or actions incidental to its business. The lawsuits brought against the Organization that are in the normal course of business are covered by insurance. The Organization also establishes reserves for the insurance deductible for claims related to lawsuits and other contingencies when the Organization believes a loss is probable and is able to estimate its potential exposure. For loss contingencies believed to be reasonably possible, the Organization also discloses the nature of the loss contingency and an estimate of possible loss, range of loss, or a statement that such an estimate cannot be made. While actual losses may differ from the amounts recorded and the ultimate outcome of the Organization's pending actions is generally not yet determinable, the Organization does not believe that the ultimate resolution of currently pending legal proceedings, either individually or in the aggregate, will have a material adverse effect on its financial condition, results of operations, or cash flows.

### **Contract Settlements**

The Organization's grants and contracts are subject to inspection and audit by the appropriate governmental funding agency. The purpose is to determine whether program funds were used in accordance with the governmental funding agency's respective guidelines and regulations. The potential exists for disallowance of previously funded program costs or approval of income due to funding shifts. The Organization records known prior year settlements (disallowances, additional funding, or contract adjustments) as "contract settlements" in its general ledger. The amounts due for the years ended June 30, 2024 and 2023 of \$60,566 and \$117,093, respectively, shown on the Statement of Activities represents known adjustments for prior year settlements. Liabilities, if any, which may result from any other governmental audits cannot be reasonably estimated and, accordingly, the Organization has no provisions for the possible disallowance of any other program costs on its consolidated financial statements.

### NOTE 10 LEASES

The Organization leases equipment as well as certain operating and office facilities for various terms under long-term, noncancelable lease agreements. Certain facility leases provide for increases in future minimum annual rental payments based on defined increases in the Consumer Price Index, subject to certain minimum increases. Additionally, the agreements generally require the Foundation to pay real estate taxes, insurance, and common area maintenance.

### NOTE 10 LEASES (CONTINUED)

The following tables provide quantitative information concerning the Foundation's leases for the year ended June 30, 2024:

|   | 2024            | <br>2023         |
|---|-----------------|------------------|
| Operating Lease Cost                              | \$<br>6,203,750 | \$<br>6,417,503  |
| Other Information:                                |                 |                  |
| Cash Paid for Amounts Included in the             |                 |                  |
| Measurement of Lease Liabilities:                 |                 |                  |
| Operating Cash Flows from Operating Leases        | \$<br>6,148,980 | \$<br>6,232,684  |
| Right-of-Use Assets Obtained in Exchange for New  |                 |                  |
| Operating Lease Liabilities                       | \$<br>2,802,872 | \$<br>20,075,364 |
| Weighted-Average Remaining Lease Term             |                 |                  |
| - Operating Leases                                | 2.96 years      | 3.10 years       |
| Weighted-Average Discount Rate - Operating Leases | 5.00%           | 5.00%            |

A maturity analysis of annual undiscounted cash flows for operating lease liabilities is as follows:

| Year Ending June 30,         | 2024             | 2023             |
|------------------------------|------------------|------------------|
| 2025                         | \$<br>5,419,167  | \$<br>6,029,507  |
| 2026                         | 3,556,694        | 4,878,601        |
| 2027                         | 2,141,053        | 2,797,540        |
| 2028                         | 1,274,583        | 1,383,903        |
| 2029                         | 485,098          | 617,056          |
| Thereafter                   | 16,040           | 138,300          |
| Undiscounted Cash Flows      | 12,892,635       | 15,844,907       |
| Less: Present Value Discount | (901,428)        | (1,154,635)      |
| Total Present Value          | \$<br>11,991,207 | \$<br>14,690,272 |

### **NOTE 11 MATERIAL CONTRACTS**

Mental Health Systems, Inc. is the recipient of funds under numerous contracts, several of which could be considered material to the overall operations of the Organization when considered separate from other contracts. This is not considered to be a material exposure as the expense related to such revenue can be terminated simultaneously with the cession of revenue.

### NOTE 12 RETIREMENT PLAN

The Organization maintains a 401(a) and Section 501(a) plan for the benefit of all eligible employees. The plan provides discretionary contributions by the corporation up to the maximum amount permitted under the Internal Revenue Code, such amount to be determined annually by the board of directors. For the years ended June 30, 2024 and 2023, total expense was \$1,066,701 and \$1,102,520, respectively.

The Organization also maintains a 401(k) plan for the benefit of all eligible employees. The plan allows eligible employees to defer a portion of salary to the plan. The Organization does not offer a match.

### NOTE 13 FINANCIAL POSITION

Mental Health Systems, Inc. had a net loss of (\$3,721,699) for the year ended June 30, 2024. As of June 30, 2024, the Organization's accumulated net asset deficit was (\$8,191,598).

Mental Health Systems, Inc. has been awarded government contracts of over \$126M for the fiscal year ending June 30, 2025. In addition, management believes the Organization's present cash flows will enable it to meet its obligations for 12 months from the date these financial statements are available to be issued. Management plans to obtain additional sources of funding, including fundraising dollars that will enable the Organization to improve its financial condition.

### INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors Mental Health Systems, Inc. dba: TURN Behavioral Health Services San Diego, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Mental Health Systems, Inc., dba: TURN Behavioral Health Services, (the Organization), which comprise the statement of financial position as of June 30, 2024, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated February 19, 2025.

### **Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's consolidated financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Board of Directors Mental Health Systems, Inc. dba: TURN Behavioral Health Services

### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

### INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL FOR EACH MAJOR PROGRAM, REPORT ON INTERNAL CONTROL OVER COMPLIANCE, AND REPORT ON THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE

Board of Directors Mental Health Systems, Inc. dba: TURN Behavioral Health Services San Diego, California

### Report on Compliance for Each Major Federal Program Opinion on Each Major Federal Program

We have audited Mental Health Systems, Inc., dba: TURN Behavioral Health Services, (the Organization), compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2024. The Organization's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2024.

### Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative* Requirements, *Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

### Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Organization's federal programs.

### Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the
  audit in order to design audit procedures that are appropriate in the circumstances and to test
  and report on internal control over compliance in accordance with the Uniform Guidance, but not
  for the purpose of expressing an opinion on the effectiveness of the Organization's internal
  control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

### **Report on Internal Control Over Compliance**

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Board of Directors
Mental Health Systems, Inc.
dba: TURN Behavioral Health Services

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

### **Schedule of Expenditures of Federal Awards**

We have audited the consolidated financial statements of the Organization as of and for the year ended June 30, 2024, and have issued our report thereon dated February 19, 2025, which contained an unmodified opinion on those consolidated financial statements. Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

### MENTAL HEALTH SYSTEMS, INC. DBA: TURN BEHAVIORAL HEALTH SERVICES NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS JUNE 30, 2024

### NOTE 1 BASIS OF PRESENTATION

The schedule of expenditures of federal awards includes contract activity of the Organization and is presented on the accrual basis of accounting, which is the same basis of accounting used in the preparation of the consolidated financial statements.

The information in this schedule is presented in accordance with the requirements of the Uniform Guidance and agrees with the amounts in the consolidated financial statements.

### NOTE 2 INDIRECT COST RATE

The Organization has elected not to use the 10 percent de minimis indirect cost rate allowed under the Uniform Guidance, as the Organization has a negotiated rate for indirect costs.
